

# P5-FED

## SPEC SHEET

PREMIUM PERFORMANCE

WOOD

METAL

**DESCRIPTION:** The P5-FED floor sanding discs are made using vulcanised fibre backing and a fully resin bonded grain application, to ensure long life, even on heavy duty applications.

**FEATURES:** Tear resistant fibre backing, cross cut centre back.

**MACHINE SUITABILITY:** 180mm floor edging sanders, including: Hire Tech HT7 and Clarke Super 7R.

#### STANDARDS:

- EN13743: European standard that regulates the safety requirements for coated abrasive products. (sanding sheets and discs.)

#### USER TIPS:

- To reduce the risk of damaging discs, ensure that any protruding nails are hammered home or removed, and any split or damaged boards and repaired.
- For the best results, start with a coarse grit i.e. P24, and then a medium grit (P60 or P80), finally using P120 to achieve a clean and smooth finish.

#### PACKAGING DETAILS:

Full colour corrugated cardboard box.

Part No.	Grit	Pack Qty
AP10502	P24	50
AP10504	P40	50
AP10505	P60	50
AP10506	P80	50
AP10507	P120	50
