DESCRIPTION: The 90 tooth P5-STAINLESS355 is a 355mm TCT saw blade designed to cut stainless steel. The high quality carbide teeth make for clean and easy cutting.

FEATURES: Stainless steel cutting - Grades 302,303 and 304, only. Constant depth of cut, clean-fast cutting.

MACHINE SUITABILITY: Evosaw355 and other low revving chop saws.

USER TIPS:

- Always ensure that the blade is suitable for your machine type. Using a blade designed for another machine type could be unsafe
- Do not exceed the discs 1600rpm maximum speed
- Make certain that the blade is suitable for the material being cut
- Do not force the cut. Let the blade and machine do the work.

PACKAGING DETAILS:

White corrugated cardboard box.
