

## ST-SDSP

SPEC SHEET

■ IDEALLY SUITED     
 ■ OCCASIONAL USE

MATERIAL	Usage
ASPHALT	Green
ASPHALT OVER CONCRETE	Green
CAST CONCRETE	Green
CEMENT SCREED	Green
CHALK STONE	Green
CONCRETE - BEAMS, KERBS, PIPES & SLABS	Green
CONCRETE BLOCK PAVIOURS	Green
CONCRETE LINTELS	Green
CONCRETE PIPES	Green
COTSWOLD STONE	Orange
ENGINEERING BRICKS	Orange
EXTERIOR RENDER	Green
FACING BRICKS	Green
FLINT AGGREGATE CONCRETE	Orange
GREEN CONCRETE	Green
LIMESTONE	Orange
MORTAR	Green
REINFORCED CONCRETE	Orange
SANDSTONE - ABRASIVE & GRITSTONE	Green
YORK STONE	Green

Part No.	Description	Overall Length	Working Length	List Price
GT40451	250mm Point	250mm	N/A	£4.35
GT40452	20 x 250mm Chisel	250mm	N/A	£4.35
GT40453	40 x 250mm Wide Chisel	250mm	N/A	£6.15
GT40454	75mm Tile Removing Chisel	240mm	N/A	£21.55
GT40455	22 x 250mm Gouging Chisel	250mm	N/A	£7.05
GT40460	3pc Point & Chisel Set	250mm	N/A	£18.40

### ST-SDSP POINTS & CHISELS

FOR USE ON ALL TYPES OF BRICK, BLOCK, GENERAL MASONRY AND CONCRETE

PART NO.	DESCRIPTION	COMMON USES
GT40451	250mm Point	Lightweight bursting
GT40452	20 x 25Tile Removing Chisel	Lightweight general demolition, plaster & render removal, wall chasing
GT40453	40 x 250mm Wide Chisel	Lightweight general demolition, plaster & render removal
GT40454	75mm Tiling Removing Chisel	Tile lifting, plaster & render removal
GT40455	22 x 250 Gouging Chisel	Chasing for electrical and plumbing services
GT40460	3pc Point & Chisel Set	Lightweight bursting and demolition, plaster & render removal, wall chasing

**DESCRIPTION:** Manufactured using 40Cr alloy steel for its additional hardness, the SiteTuff range of points and chisels will tackle the toughest of applications.

**FEATURES:**

- 3 piece set comes in a quality, fabric tidy roll.

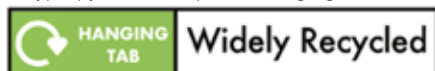

**MACHINE SUITABILITY:** SDS-PLUS

**USER TIPS:**

- Always use the side handle provided with the machine
- Do not use excessive pressure, just enough to keep the bit in constant contact with the surface you are drilling.

**PACKAGING DETAILS:**

Polypropylene (PP5) plastic hanging tab.
